12 DISCIPLES TRAVEL ON FIRST MISSION TRIP

FEATURE PHOTO SUBMITTED BY CHARLENE TALLMAN | PAGE 8

12 DISCIPLES TRAVEL ON FIRST MISSION TRIP

Article and photos submitted by Charlene Tallman

QUESTION: WHAT DO...

4 retired government employees (Gary Jugan, Vivian Jugan, Charlene Tallman, Dan Welte),
2 college sophomores (Suzanna and Andrea Magaro (twins)),
2 high school sophomores (Julia Salvador, Becca Alleman),
1 girls' basketball coach (Denny Bavaria),
1 electrical engineer (Ray DeMarchis),
1 army Chief Warrant Officer (Ron Magaro), and
1 event planner coordinator (Regina Salvador)
...have in common?

ANSWER:

A desire to grow closer to the Lord by serving the poor. We are 12 and call ourselves disciples.

It was by Denny Bavaria's initiative with OLOL's DRE, Jennifer Kent-Shank, that serious talks began in September 2022 with Sr. Kathleen Weigand, a long-time friend of Denny's and Director of St. Vincent's Mission in David, KY and her protégé, Erin Bottomlee, to go on a mission. In October 2022, Sr. Kathleen and Erin arrived at OLOL and spoke with parishioners/students. Many were excited, the fire was lit and we were going. Eight months of... zooming with Erin, applying for Youth Protection Badges with the Diocese, sharing local information regarding David, Denny running basketball tournaments (acquiring contributions from the community to fund the fees for each to attend), designing t-shirts to wear, designating... a transportation coordinator, a local culture coordinator, a cook and helpers, an admin person, and most of all—our work crews. IT DOES TAKE A

VILLAGE!!! We dined together on June 15th, 2023 and left for David, KY on the 25th. NOTE: Where and what we did would be determined by the disciples' skill level ... and our men had built homes from the basement to the roof... we were qualified and ready to Praise the Lord—only for His glory!

Upon arriving at the Volunteer Center—we disciples soon adjusted to the work week—rising at 6:00 and sitting down to magnificent breakfasts of pancakes, bacon, French toast, eggs, omelets, cereal, coffee and jc; lunch was a brown-bag prepared by each disciple for on-site eating, and dinner at the Volunteer Center was gourmet... pork barbeque, taco Tuesday, baked ziti, THANKSGIVING turkey, and... hot dogs and leftovers to end the week. We picked the right cook and kitchen team! THANK YOU, JESUS!

BETWEEN MEALS... WE WORKED! SPECIFICALLY:

- Those not traveling with the work crews met the local families and experienced the culture by home visits with St. Vincent's Garden Coordinator and were sent on adventures of delivering groceries (thank the Lord for GPS). They re-stocked the food pantry, sorted donated infant, girls, boys, men and women's clothes; and cleaned kitchens, appliances, and floors.
- Work Crew One re-secured trailer floor frames and insulation from UNDERNEATH the trailer and then re-installed vinyl siding sheets and trailer skirting (making the trailer livable so that "Paula" would not have to go into a nursing home). The property was cleared of trash, overgrowth, underbrush, and the deck was swept clean.
- Work Crew Two repaired a living room sub-floor, installed flooring and trim, and then on the outside of the trailer—repaired the gutter, fascia, and soffit of the home.

"These jobs were not cookie cutter—we had to be very creative in our repairs," agreed Dan and Ron, who shared their talents with four Kentucky families.

Stories of the Hatfield's and McCoy's, the birthplace of Charles

Manson, Kentucky's local hero—Ginny Wiley, and "thee worst" school bus accident in US history—a school bus went over an 85' embankment with 58 students—36 lives were lost entertained us over dinner as well as each disciple's impressions/experiences of faith, hope, love and service... praising the Lord. Culminating points of the trip were our THANKSGIVING turkey dinner with Sr. Kathy and Erin, Front Porch Pickin'—listening and dancing to local string-instrument talent, and our home Mass Thursday evening with Fr. Bob from St. Luke's in Salyersville, KY sharing with us faith and the Eucharist—a thread that seem to be woven through each day of our visit.

A special THANK YOU to St. Vincent's Staff—Sr. Kathy, Erin, Trish, Jennifer, Dee, Kim, Gregory, John, Brenda, Emily, etc., etc., and our sisters and brothers of Kentucky who shared with us the Lord's love.

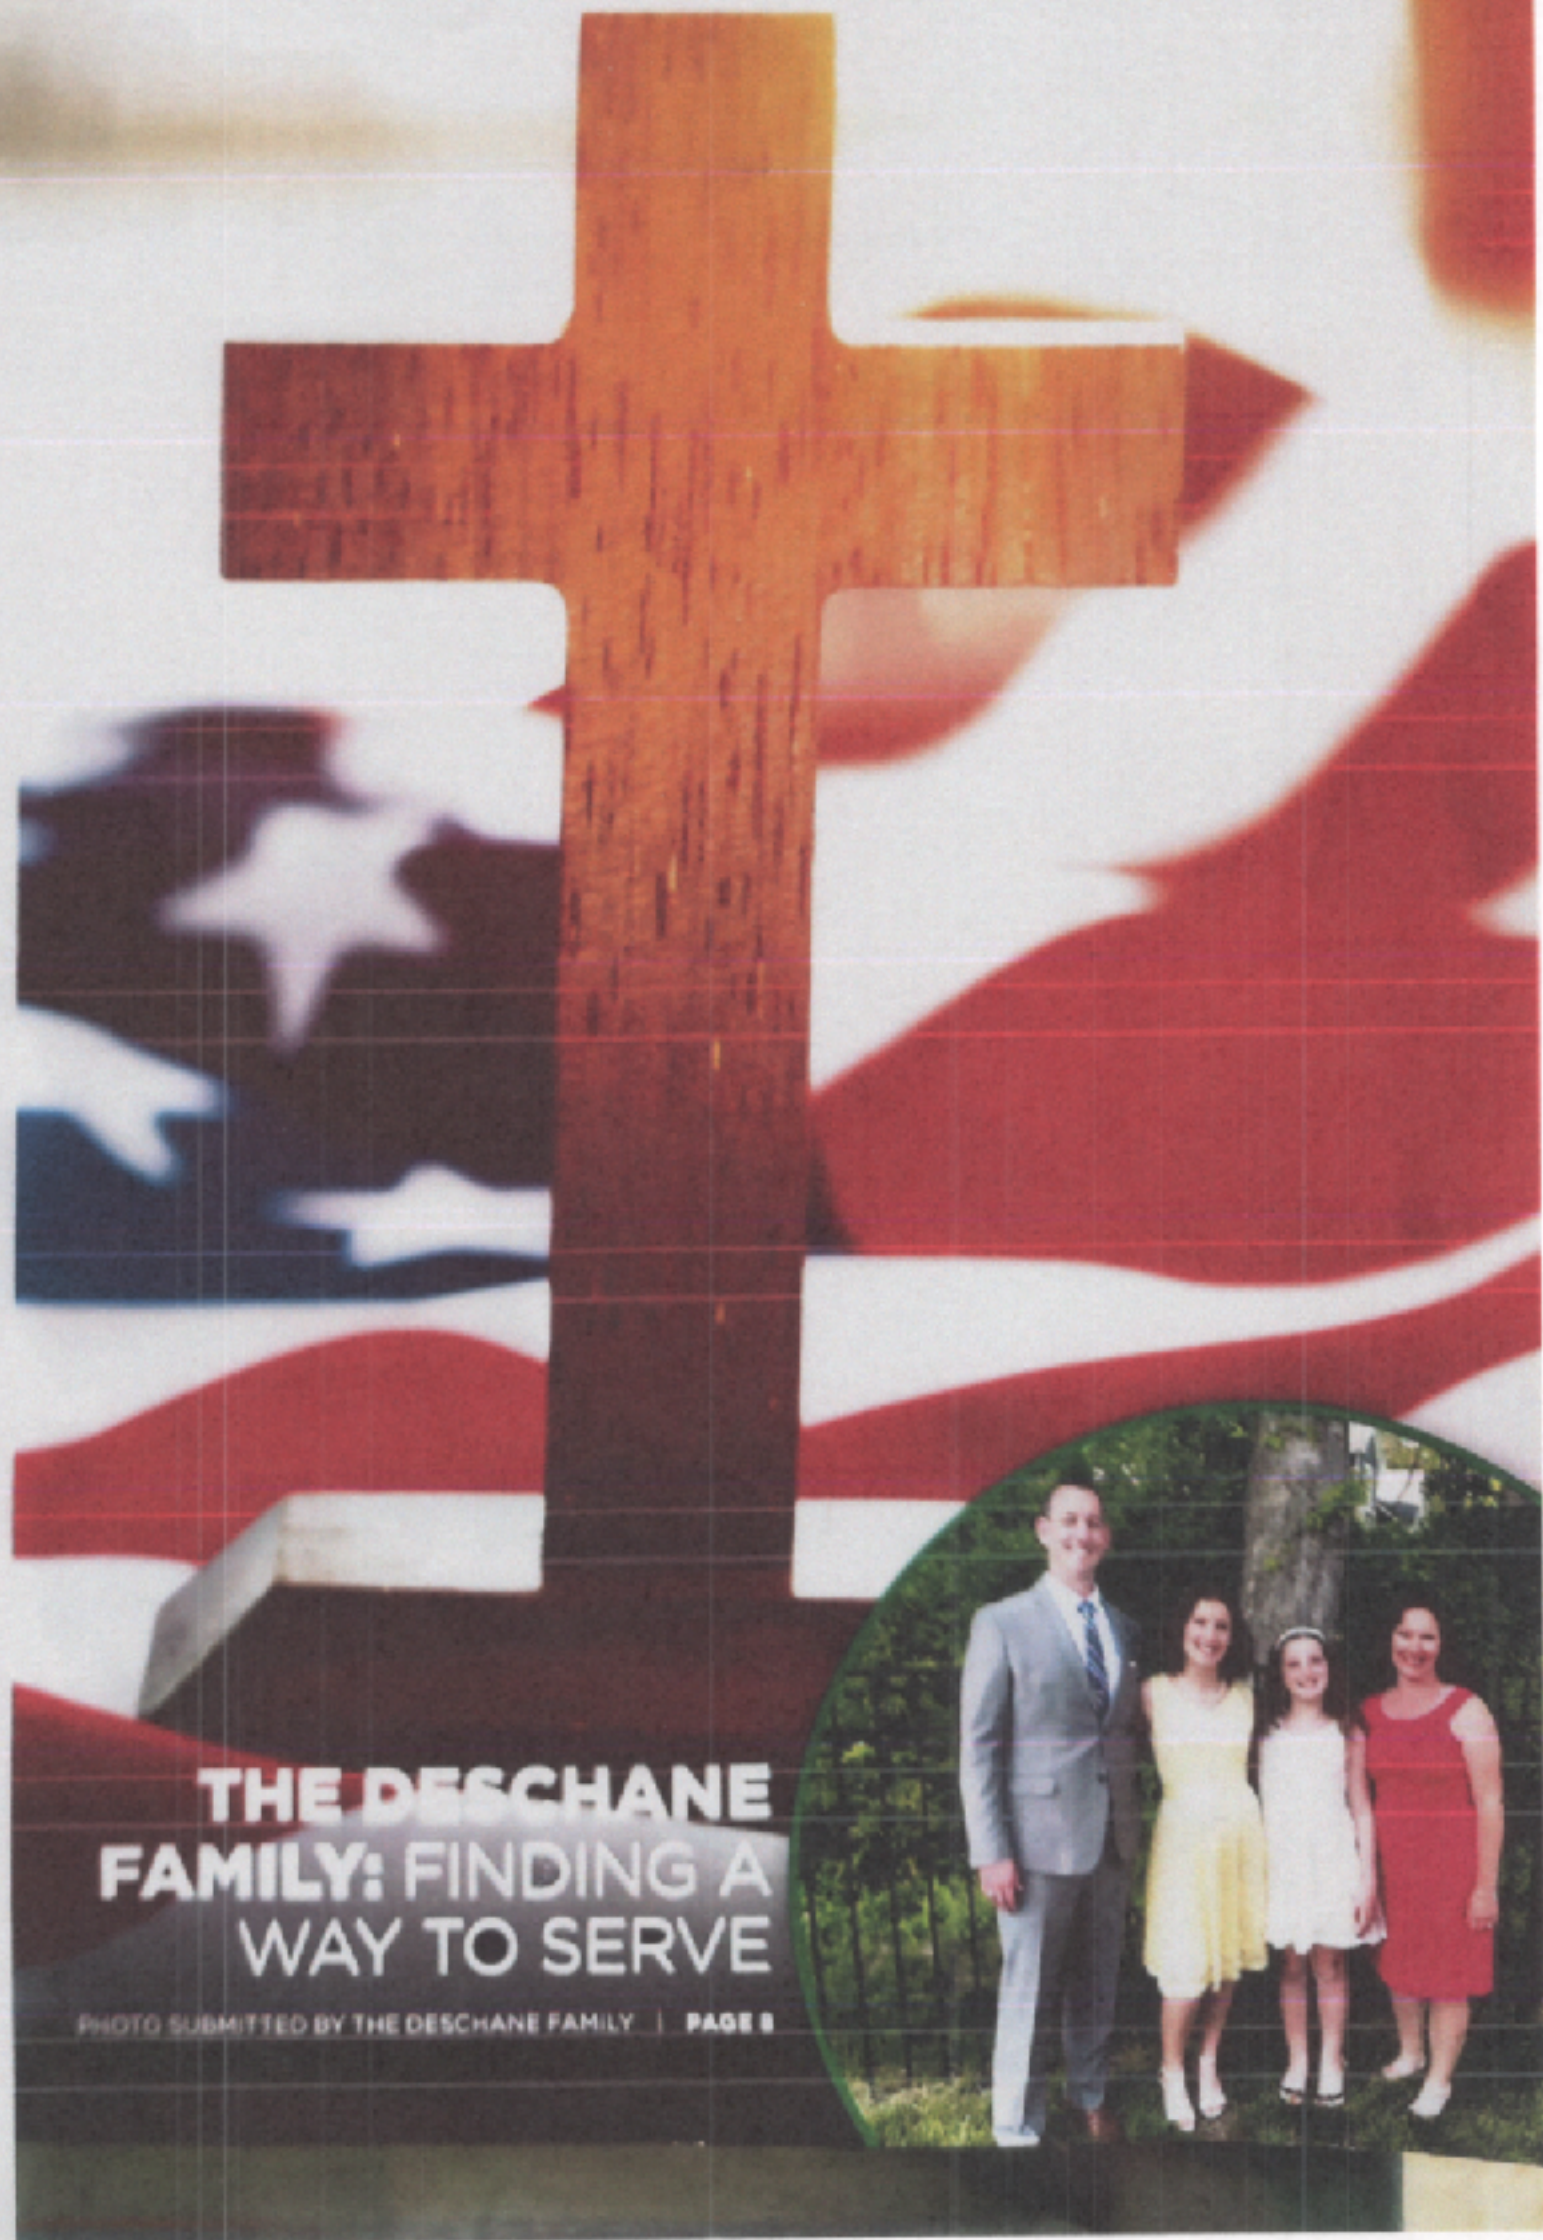

Before leaving PA, we were told... "If we want to see Jesus, visit the poor!" THANK YOU, JESUS, FOR THE EXPERIENCE!

FAMILY: FINDING A

THE DESCHANE FAMILY: FINDING A WAY TO SERVE

By Laura Kerscher | Photos submitted by the Deschane family and by Long Shot Photography

“Find a way to serve others,” Chris and Erin Deschane encourage their family, “the world tells us to put ourselves first, but our happiness is greater when we recognize that we are each part of something larger than ourselves.” These words ring true not only for the Deschanes but for everyone; being generous and kind are simple ways to spread joy and be part of something truly beautiful. In fact, this is exactly the type of joy that the Deschanes have found

at Our Lady of Lourdes, “There are many generous and kind people,” explains Erin, “even those we don’t know well who will often share smiles and compliments.” That kind of joy and kindness is contagious...and life changing.

Chris and Erin Deschane met while she was working near Dallas and he was attending USAF training in Texas. They were married on June 30th, 2007 in Erin’s hometown Lutheran church in Brenham, TX. Two years later, Erin

went through RCIA and their marriage was convalidated on March 21st, 2009 at Blessed Sacrament Catholic Church in Arlington, VA. Chris is now the General Manager for Michels Power, Inc with a B.S. from the United States Air Force Academy and M.B.A. from the University of Phoenix. Erin is a

preschool teacher at St. Timothy Lutheran Church with her B.B.A. from Baylor University. Together they have two beautiful girls: Natalie (14) and Audrey (12).

Five years ago, the Deschane family joined Our Lady of Lourdes (OLOL) and found something truly special. Living so far from family, they came to rely heavily on their church family. Erin laughs, "Since we live several states and many days travel away from all of our family, [OLOL has] become our extended family, helping us feel like we're home." Being part of the OLOL family, it is important to each of the Deschane clan to be involved and participate in parish ministries. Chris is involved with the Knights of Columbus and That Man Is You, while Erin is the Kindergarten Religious Education teacher. The girls are lectors and involved in the youth group while Natalie is also a cantor and the Kindergarten Religious Education assistant.

Faith has always played an important role in their lives. Erin explained, "Though I'm not sure I recognized it at the time, looking back I can see the influence of my faith throughout my life from my relationship with my parents, to the university I chose, to my marriage and family." Natalie and Audrey also pondered the role Faith played in their life and shared, "When the world seems too big, we know that God is there to comfort us and answer our questions." The Deschanes also regularly turn to the saints and prayer when they are in need of

comfort or inspiration. Audrey has a special devotion to Saint Anthony because "he helps me find hope when I'm feeling lost or conflicted." Natalie finds herself turning to Saint Cecilia, sharing, "I find joy in music, and she is the patron saint of musicians." The Hail Mary is the prayer of choice for Erin because the words inspire and comfort her even when she is feeling overwhelmed. Erin said, "[Mary] is the role model for motherhood which I consider my highest purpose."

Natalie and Audrey have a joyful spirit of service and

gratitude as they strive to be the best version of themselves in their studies as well as extracurricular activities. Natalie is on the honor roll and the student council as she finishes the 8th grade at Mountain View Middle School. She enjoys playing the cello in the school orchestra, participating in school musicals, singing in the choir and small ensembles as well as taking lessons in voice, dance, and acrobatics at The Studio in Enola. Similarly, Audrey is also on the honor roll as she finishes the 6th grade at Mountain View Middle School. She plays the trumpet in the school band, participates in the school musical and enjoys taking jazz and ballet classes at The Studio.

Adding much joy and excitement to their family is their sweet two-year-old rescue mutt named Scout. He does a great job keeping them all on their toes and in high spirits. Erin explained, "About a year ago, he ate nine rocks and had to spend a night at the hospital. He's healthy now, and fortunately hasn't done it again!"

As a family, the Deschanes enjoy being active and involved in the community. Their favorite pastimes are traveling, camping, hiking, and swimming but they also enjoy board games, dancing, music, and cheering on their favorite sports team—the Green Bay Packers. They have even dabbled in building an experimental kit airplane (model: Vans RV-7A). In the community, they find joy in serving at local pancake breakfasts and Lenten fish fries as well as volunteering at Healthy Steps Diaper Bank and Junior Achievement. Chris also serves on the Hampden Township Planning Commission.

Joyful service and simple kindness are what the Deschanes are all about. Whether it's gifting their time, talent, or just a simple smile, they are making a difference—one person at a time. If you see them at Mass or out in the community, stop and say hi! You'll be glad you did.
